

instacount[®] BASIC

It's time to simplify instrument management!

Aesculap Service Systems

AESCULAP

A member of the **BIBRAUN** group of companies.

instacount® BASIC

Simple and effective

Say goodbye to manual count sheets!

instacount® BASIC introduces quality and control to your instrument management. Standardized count sheets with care and handling information will be available to ensure efficient instrument handling and organization.

BASIC Benefits

- Improves organization and accuracy of count sheets
- Simplifies staff training
- Increases efficiencies in the CSSD and saves time and money
- Eliminates assembly errors leading to an increase in OR satisfaction and patient safety

BASIC Features

- Legible count sheets containing full instrument descriptions, catalog numbers and quantities with the option to add pictures
- Comprehensive database which includes hospital's instrumentation, instrument catalog and extensive cross referencing database
- Ability to enter instrument and set assembly instructions
- Ability to add set and instrument pictures (pre-loaded with Aesculap instrument images)

BASIC Laptop

The instacount® BASIC program will reside on an Aesculap provided laptop

- Standardized set count sheets for the most popular sets covering a wide variety of specialties will be pre-loaded into the database
- A user manual and step-by-step video tips will be included
- Training will be provided through WebEx sessions with hospital staff and Aesculap's training staff
- Helpline support for 90 days
- Hospital IT resources minimized

BASIC Optional Services

- Software maintenance plan
- On-site installations
- Inventory services
 - Perform inventory on all surgical instrument sets
- Data entry
 - Enter customer count sheets into the database

BASIC Future Growth

instacount® BASIC is the first step to help control and manage your instrument inventory. It can be easily upgraded to our comprehensive networked system instacount® PLUS which incorporates additional modules with increased functionality.

Simple and effective.
