

Sustainable Packaging

Measurable impact

OPERATE WITH GREATER PRECISION™

AESCULAP®

Sustainable Packaging

Supports waste reduction, operational stewardship and sustainability initiatives through reusable sterilization packaging.

Why Hospitals Are Taking a Second Look

Reusable sterilization containers may help healthcare organizations:

Reduce packaging waste

Support sustainability initiatives

Decrease reliance on single-use materials

Address Scope 3 emission reduction efforts

Reduce recurring consumable purchases

Improve long-term operational stewardship

Did You Know?

80%+

Potential reduction in packaging-related operating expense*

Thousands to Tens of Thousands

of pounds potential annual reduction in packaging waste*

Scope 3 Support

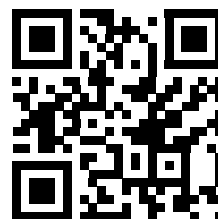

Reusable sterile barrier systems may support sustainability and environmental stewardship goals*

Modeled impact. Results vary by facility, procedure volume, sterile barrier utilization, current packaging practices and implementation assumptions.

What could this look like for your facility?
