

Aesculap Mobile Learning Lab

Neuro Education at Your Doorstep

Our Aesculap Mobile Learning Lab offers your staff the opportunity for hands-on workshops, staff in-servicing and product demos, all from the comfort of your facility.

Training courses will be offered as self-guided video modules narrated by Neurosurgeon thought-leaders and clinical experts. These modules can be combined, extended or customized as needed. Video modules will be coupled with interactive, hands-on demonstrations using state-of-the-art anatomic models. All trainings will be supported by Aesculap clinical specialists, sales specialists or subject matter experts.

Two footprint options available for safety zone around trailer and tractor:

98' x 63'

84' x 67'

More details about the Aesculap Mobile Learning Lab:

- 39' trailer with two 11' pop-outs.
- Trailer is self-powered by a generator mounted on rear of tractor.
- ADA ramp available upon request.
- Facility is not required to provide assistance for setup or tear-down.
- Setup takes approximately 2 to 4 hours and tear-down takes approximately 2 hours.

COVID 19 Safety Guidelines

The health and safety of our visitors and staff are our top priority. Trainings will follow COVID 19 safety protocols established by Aesculap in partnership with your facility including but not limited to temperature checks, COVID screening questions, occupancy restrictions, mask mandates, physical distancing, hand sanitizer stations, rigorous cleaning and handshake-free environment.
